Themarketx.com is a website owned and operated by MarketX, Inc. By accessing this website and any pages thereof, you agree to be bound by the [Terms of Use](#) and [Privacy Policy](#). MarketX is not a registered nor licensed broker, dealer, broker-dealer, funding portal, investment advisor, investment manager in the United States, nor with any state, district, county, territory or municipality thereof, nor with any other country or territory. As such, it is not acting as in a fiduciary capacity with respect to any user of the MarketX Services and MarketX disclaims any broker-client or adviser-client relationship with respect to any party using this Service. The securities offerings on this site are available only to Accredited Investors.

Use of this Website does not constitute an offer by MarketX to sell, solicit or make an offer to buy any investment interest or security and MarketX does not give or offer any business advice, investment advice, tax or legal advice to anyone using this Website or the services are defined in the Terms of Use. All prospective investors must certify that they are accredited investors, suitable for this type of illiquid investment, and must acknowledge that they have received and read all investment terms. There is a potential for loss of part or all of the investment capital, and each prospective investor should understand that all capital invested may be lost. Prospective investors should only consider these investments if they have no need for liquidity and can bear the risk of losing their entire investment.

MarketX is not a broker-dealer and does not solicit investors, engage in any negotiations regarding potential investments, or participate in the sale or purchase of any securities or otherwise effect transactions in securities. MarketX does not make investment recommendations, and no communication through this Website or in any other medium should be construed as such. Any sale or purchase of securities is in the sole discretion of, and is conducted directly between, the issuer and the prospective investor. All information regarding potential investment opportunities is prepared solely by the issuer, and such issuer is solely responsible for the accuracy of all such statements. MarketX has not independently verified any such information. Any sample deals are for illustrative purposes only.

Investments on the Website are offered by the issuer pursuant to a Private Placement Memorandum (the "PPM") and are subject to the investor agreement.

Past performance is not indicative of future performance. Any financial projections or returns shown on the Website are examples only and prospective investors should conduct their own due diligence and not rely on the financial assumptions or estimates that are displayed here.

Neither the Securities and Exchange Commission nor any federal or state securities commission or any other regulatory authority has recommended or approved of the investment or the accuracy or inaccuracy of any of the information or materials provided by or through the Website. Investments are not bank deposits, are not insured by the FDIC or by any other Federal Government Agency, are not guaranteed by MarketX and may lose value.

Any financial projections or returns shown on the Website are illustrative examples only, and there can be no assurance that any valuations provided

are accurate or in agreement with market or industry valuations. Any investment information contained herein has been secured from sources MarketX believes are reliable, but we make no representations or warranties as to the accuracy of such information and accept no liability therefor. Offers to sell, or the solicitations of offers to buy, any security can only be made through official offering documents that contain important information about risks, fees and expenses. Prospective investors should conduct their own due diligence, not rely on the financial assumptions or estimates displayed on this Website, and are encouraged to consult with a financial advisor, attorney, accountant, and any other professional that can help you to understand and assess the risks associated with any investment opportunity.

Articles or information from third-party media outside of this Website may discuss MarketX or relate to information contained herein, but MarketX does not approve and is not responsible for such content.
